FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Division of Personnel** and the **Department of Public Safety - Missouri State Highway Patrol** assume the proposed legislation would have no fiscal impact on their agencies.

Officials from the **State Highway Employees & Patrol Retirement System** assume the last valuation report was completed as of July 1, 1998. The next valuation will not be completed until five years subsequent to completion of the last valuation report. Repeal of the 2% automatic increase could impact future actuarial valuations.

FISCAL IMPACT - Small Business

No direct fiscal impact on small businesses would be expected due to this proposal.

DESCRIPTION

The proposed legislation repeals the automatic 2% pay increase for length of service for Highway Patrol members.

This legislation is not federally mandated, would not duplicate any other program, and would not require additional capital improvements or rental space.
